Letter from Sri Diwan Bahadur N. V. Vellodi, B.A., Collector of South Kanara, Ref.C.No.3385/39-A.5, dated the 22nd May 1939.

TASDIK - (South Kanara) - Mangalore Taluk - Sangabettu village - Mujilnaya Bhuta - Transfer to Sri Durga Parameshwari Temple at Padavubettu - Proposals.

The institution Mujilnaya Bhuta of Sangabettu village in Mangalore Taluk was in receipt of a tasdik allowance of Rs.12/- per annum under the Beriz Deduction system. As the allowance was not claimed for more than six years, it was struck off the registers last year under B.S.O. 67-1 (7). The President, Hindu Religious Endowments Board, Madras, in his letter No.

No.7381-E-1939-4 dated 15th February 1939 (copy enclosed) requests that the allowance in question may be transferred to the institution Sri Durga Parameshwari Temple of Ajjibettu village, Mangalore Taluk, as this institution is very much in need of help and as the former institution is beyond repairs and renewal of service in it is not possible of accomplishment.

2. Enquiry shows that the institution Sri Durga Parameshwari Temple of Ajjibettu village is in receipt of an annual tasdik of Rs.9-9-7, which is quite insufficient to meet the expenses in the temple.

3. I, therefore, recommend that the allowance of Rs.12/- which was payable to the institution Mujilnaya Bhuta of Sangabettu village may be transferred to the institution Sri Durga Parameshwari Temple of Ajjibettu village of Mangalore Taluk.

Copy of letter from Sri A. Kondappa, B.A., B.L., President, Hindu Religious Endowments Board, Madras, Letter No.7381-E/1939-4, dated 15th February 1939 to the Collector, South Kanara District, Mangalore.

2. The Board recommends that the tasdik allowance of Rs.12/- per annum payable to the institution Mujilnaya Bhuta of Sangabettu village may be added to the tasdik of Sri Durga Parameshwari Temple of Ajjibettu village.

3. The Board also invites the attention of the Government in this connection to its reference No.I. 1887/39-1, dated the 18th July 1939 which indicates the possibility of adding amounts of this kind to the fund of the scheme for rural water supply appended to G.O. No.2429 P.H., dated the 6th July 1938 instead of being revived for the benefit of institutions which are already endowed.

ENDOWMENTS - Charitable - (Ramnad) - Paramakudi Taluk - Pandappanendal inam village - Resumed - Net assessment - Payment - Report submitted.

Letter from A.R.C. Westlake Esquire, I.C.S., Collector of Ramnad, No. R.O.C. B4. 1249-1939, dated 6-4-1939.

I invite Board's attention to G.O. No. 3240, Revenue, dated 26-11-1909 communicated in B.P. No. 4150 Misc., dated 16-12-1909. The assessment on the resumed inam lands in Pandappanendal village, Paramakudi taluk, less jodi of Rs.19-15-8 was assigned to the Ramnad Taluk Board for the construction and maintenance on sanitary principles of drinking water wells in the villages under the Taluk Board, preference being given to those villages which are most frequented by pilgrims to "Sethukarai" (Rameswaram). The endowment was transferred to the District Board, Ramnad on 1-4-1934 consequent on the abolition of the Taluk Boards. The President District Board applied for the payment of the net assessment for fasli 1344, and the Sub-Collector, Ramnad declined to countersign the certificate in accordance with G.O. No. 1179, dated 23-3-1937, since the District Board has not constructed the wells according to the terms of the original grant. The certificate of the President, District Board - "that the income from Pandappanendal village was utilised for the construction of wells on Ramnad to Rameswaram Road" is evidently incorrect, since the President, District Board has now reported that the preparation of estimates for the wells is still pending with the District Board

Engineer, Ramnad. The President, District Board, reports that there is a balance of Rs.7292-6-9 (as it stood on 31-8-1938 under this endowment of which Rs.6500/- has been invested in the Madura-Ramnad-Central Co-operative Bank, Ltd., Madura, and Srivilliputtur Co-operative Banking Union, Ltd., Srivilliputtur in fixed deposits. The President, District Board has also sent a list of 5 well works ~~(copy enclosed)~~ except in Ramnad Taluk Board area from the general funds of the District Board, and solicits instructions whether the amount spent on these works (viz., Rs.2,478-15-0) can be debited to the endowment funds and necessary revised certificate furnished.

In these days of quick means of communication such as the Railway and motorable roads, the provision of wells on the route to "Sethukarai" intended for pilgrim does not appear to be so very important, as when the orders of Government were issued in 1909. The construction of wells in any portion of the Ramnad Taluk Board area where there is real need may be accepted as sufficient under the terms of the Government Order. The present policy according to the instructions issued in G.O. No. 2429 P.H., dated 6-7-1938, and Government Memorandum No. 27403-1-E2, P.H., dated 18-11-1938 is however for the Government to construct new wells, and not to allow the District Board to do so. I request therefore that the Board may be pleased to move the Government for transferring the endowment to the control of Government which will involve also the transfer of the accumulated funds under the endowment to Government.

C. No. 3373 B/39. From the Board of Revenue, Ref. I. No. 2619/39-1 dated 18-7-1939.

To A.S.

Please see the Board's Reference at pp. 1-3 C.F. The Board has recommended that the allowance of Rs.12/- per annum payable to the Institution Mujilnaya Bhuta of Sangabettu village may be added to the tasdik of Sri Durga Parameshwari Temple of Ajjibettu village in the South Kanara district, as the Collector has reported, that the former institution is beyond repairs, that renewal of service in it is not possible of accomplishment and that the latter institution is in need of help. The Board, in this connection has invited the attention of the Government to its recommendation in another case to transfer an endowment for the construction and maintenance of drinking water wells with the accumulated funds to the control of the Government to be added to the fund of the scheme for rural water supply appended to G.O. No. 2429, P.H., dated 6-7-1938.

2. Sri Durga Parameshwari temple of Ajjibettu village is already an endowed institution which is in receipt of an annual tasdik of Rs.9-9-7, which is reported to be insufficient. It is submitted that with the aid of this allowance, the institution has hitherto been maintained properly and services regularly performed. It could seek other sources oy way of private benefactions for any further help, as it apparently

has been doing till now. It is therefore for consideration whether the sum of Rs.12/- per annum payable to the institution Mujilnaya Bhuta may be diverted towards the scheme for water supply, as pointed out by the Board. On the other hand, the endowment referred to in the Board's reference at 'D' was originally intended for the construction and maintenance of drinking water wells and the Board has here proposed that the endowment may be transferred to the control of the Government to be added to the fund of the scheme for rural water supply. In the present case, however, ~~the Board has proposed that the proposal is that the~~ the allowance of Rs.12/- per annum is payable to the institution Mujilnaya Bhuta ~~may be added to the tasdik of Sri Durga Parameshwari Temple.~~ and it is for consideration whether allowances of this sort should also be diverted for rural water supply

3. The remarks of E. & P. H. and Finance may be invited.

It was only the assessment on the resumed main land out of which was assigned for drinking water-wells. So in 3240 Rev. dt 26-11-1909 may contain the purpose of the original endowment. Obtain and put up a copy

originally granted for the support of the Kothandaraman chaultry on the road from Rameswaram to Setukari. The chattram buildings were in ruins, no service was kept up and no charity was conducted. This resulted in the resumption of the inam village. Thus it will be seen that the original object of the grant was to benefit travellers

This inam was originally charitable but the inam concerned in the present case is religious VRS.

The Board recommends that the tasdik allowance of Rs 12 p.m. payable to the institution Mujilnaya Bhuta of Sangabettu village in the Mangalore taluk may be added to the tasdik allce of the Sri Durga Parameswari temple at Ajjibettu village (in same taluk). The latter institution is reported to be very much in need of help, while there is no service in the former institution and the allowance is not being drawn. Rev & E.C.M. agree with Govt.

Subt. that the transfer of the allowance proposed need not be objected to in Finance, as the object for which the allowance is diverted obviously serves the same purpose.
